# Daily Itinerary

---

Arriving in peaceful Reykjavik, you will be transferred to our hotel in the city center. The remainder of the day will be yours to rest and recover from jet lag and meet your fellow travelers before meeting for our welcome dinner at an excellent Reykjavik restaurant! \*Depending on flight arrival times, we will arrange a visit to the beautiful Blue Lagoon en route from the airport to the hotel. We recommend booking a flight that arrives early in the morning on this day in order to participate in the Blue Lagoon experience.

---

## Day 2: Reykjavik / Golden Circle / Reykjavik

**Included meals: Breakfast, Lunch**

Today we'll board our private van and head out to experience the famous Golden Circle, a route that packs in geysers, hot springs, and jaw-dropping waterfalls like Gullfoss. We'll also stop at a local horse farm where you'll get to meet Iceland's unique breed of small, resilient horses, as well as a tomato farm that stays warm all year thanks to geothermal heat. After some free time for dinner, we'll cap off the day with the Imagine Peace Tower opening ceremony, a light and music event inspired by John Lennon's vision for world peace.

---

## Day 3: Reykjavik / South Coast

**Included meals: Breakfast, Lunch**

Get ready for a day packed with nature's finest spectacles. We'll start our journey along the South Coast visiting Seljalandsfoss and Skogafoss, two waterfalls each stunning in its own way. Next, we'll hit the black sands of Reynisfjara, where powerful waves crash against basalt columns. Then, it's off to Myrdalsjokull glacier. This isn't just any glacier, it actually sits on top of an active volcano named Katla. We'll wrap up the day heading to our hotel, which is conveniently located near a glacial lagoon.

---

## Day 4: South Coast

**Included meals: Breakfast, Lunch, Dinner**

Today we'll continue our adventure with a full day tour of the South Coast. We'll start by driving from Vatnajökull National Park, gearing up for a unique Zodiac boat ride across Fjallsárlón Glacier Lagoon, giving you a closer look at the icebergs and glacial formations. After departing the glacier lagoon, we'll drive further to Eystri-Fellsjara, the famous Diamond Beach, where the glittering icebergs scattered along the black sand shore create a mesmerizing landscape. We'll then move into a larger 4WD vehicle towards a beautiful ice cave. Inside the cave, we'll explore stunning blue ice formations and crystal-clear

walls, marveling at the natural ice sculptures formed over centuries. Our guide will share fascinating insights into the glacier's history and the unique features of this frozen wonderland.

---

## **Day 5: South Coast / Reykjavik / Akureyri / Northern Lights**

**Included meals: Breakfast, Lunch**

Today we'll say goodbye to the South Coast as we head back to Reykjavik, but not before making a few scenic stops along the way. Once we hit Reykjavik, we'll take a quick 45-minute flight that takes us to the charming town of Akureyri in the north. This northern town has its own special blend of cozy charm and awe-inspiring landscapes. In the evening we'll head away from the city's glow to try and (hopefully) catch the magical Northern Lights, a natural spectacle caused by solar particles colliding with Earth's atmosphere.

---

## **Day 6: Akureyri / Dettifoss / Lake Myvatn / Akureyri**

**Included meals: Breakfast, Lunch**

Today we'll travel out of town, and straight into the awe-inspiring nature that this part of the country is known for. You'll take in incredible views of Dettifoss Waterfall, the most powerful waterfall in all of Europe. From here, we'll visit Lake Myvatn, known for its boiling mud, lava formations, and diversity of flora and fauna. The region we will visit is also considered by many to be the most beautiful in the entire country as it is surrounded by mountains, canyons and cliffs in every direction. Our lunch today will be at a local produce farm set among this breathtaking scenery where we will dine on fresh local dishes prepared by our friendly hosts. Upon returning to Akureyri in the evening, you'll have some free time if you wish to spend the evening out and about, visiting any of the local restaurants, cafes or bars.

---

## **Day 7: Akureyri**

**Included meals: Breakfast, Dinner**

The morning will begin with a tour of Akureyri, exploring its unique local cuisine and vibrant artistic culture. From local eateries and food vendors to street art and traditional workshops, you'll get to see a deeper and more local side of this charming town that will leave quite an impression. You'll also have free time to shop at some of the boutiques and craft shops, giving you a chance to pick up genuine Icelandic products directly from the people who produce them. For those interested, there will be an optional whale watching tour, offering a chance to witness the majestic marine life in the nearby waters.

---

## **Day 8: Akureyri / Reykjavik**

**Included meals: Breakfast, Lunch, Dinner**

Today we'll catch a morning flight to Reykjavik and then hit the streets of the Reykjavik City Center for an engaging walking tour. We'll explore the pulse of the city, taking in key landmarks and local spots, while also enjoying some authentic Icelandic bites. The itinerary includes a stop at a local handicraft workshop, where you'll get to see artisans in action, crafting Icelandic wares. Then we'll swing by a women's knitting association to get an up-close look at how Iceland's renowned wool products come to life. After the tour wraps up, you'll have some free time at leisure—perhaps to do some shopping, explore a museum, or even unwind at a spa. Afterwards we'll head towards our hotel before gathering for our farewell dinner, celebrating the adventure we've had together.

---

## **Day 9: Reykjavik (Departure Day)**

### **Included meals: Breakfast**
